Register file structure : regfile\_xgs\_athena.pdf Created by imaval on 2020/07/08 15:17:53

Register file CRC32: 0x1186D031

#### 1. Main Parameters

Register file endianness: little endian

Address bus width: 11 bits Data bus width: 32 bits

### 2. Memory Map

| Section name | Address(es) / Address Ranges | Register name              | Access Type |
